

KETOVIE 4:1 PEPTIDE

FOOD FOR SPECIAL MEDICAL PURPOSES (FSMP) with sweetener

KetoVie 4:1 Peptide is a nutritionally complete ready to feed liquid at a 4:1 ketogenic ratio (fat: carbohydrate + protein) with extensively hydrolysed whey protein for the dietary management of patients with intractable epilepsy and other conditions where a ketogenic diet is indicated. Suitable for both oral and tube feeding.

Features:

- » Energy: 1.5 kcal/mL[^]
- » Unflavoured
- » Lactose: <0.1%[^]
- » Citrates: 10 mEq/250 mL[^]
- » Percent free water: ~78%[^]
- » Kosher[®] & Halal

[^]Based on supplier information or calculated values.

Indications / Important Notice:

- » For the dietary management of intractable epilepsy, GLUT-1, PDHD, and other conditions where a ketogenic diet is indicated.
- » Patients requiring ketogenic diet with impaired digestive function or intolerance to whole protein.
- » Must be administered under medical supervision
- » Designed for individuals over 3 years of age
- » For enteral use only
- » Not for parenteral use
- » Can be used as sole source of nutrition
- » Not suitable for those with inborn errors of fat or carnitine metabolism

Allergen information: Milk

Shelf life: See outer packaging for best before date

Directions for use: Ready to use. Shake well before use.

Country of origin: USA

Storage: Store in a cool, dry place. Refrigerate promptly after opening and use within 24 hours. Do not freeze unless consuming frozen.

Packaging:
30 X 250 mL

PIP: 423-2054

Ingredients:

Filtered water, refined vegetable oils (sunflower oil, canola oil, medium chain triglycerides), whey protein hydrolysate (**milk**), contains less than 2% of docosahexaenoic acid (DHA) algal oil (derived from microalgae Schizochytrium sp.), calcium citrate, stabiliser (cellulose gel), emulsifiers (mono and di-glycerides, citric acid ester of mono and di-glycerides), inositol, inulin, L-carnitine, L-phenylalanine, L-tyrosine, natural flavours, potassium chloride, salt, sodium ascorbate, sodium phosphate, sweetener (steviol glycosides), taurine, vitamin A palmitate, cholecalciferol, DL- α -tocopheryl acetate, phylloquinone, menaquinone (MK-7), thiamine mononitrate, riboflavin, niacinamide, pyridoxine hydrochloride, folic acid, cyanocobalamin, calcium D-pantothenate, biotin, calcium carbonate, calcium phosphate, magnesium phosphate, chromium chloride, copper sulphate, potassium iodide, ferric pyrophosphate, manganese sulphate, sodium molybdate, sodium selenite, zinc sulphate, choline chloride.

Contains milk.

Eat Well, Live Well.
